LITIGATION TEAM EXPANSION

We are delighted to announce the appointment of Layla Sabbagh as assistant solicitor in our Litigation Team. Layla, formerly of Neil Myerson LLP, joins the eight strong litigation department, which consists of three partners and five fee earners, and will specialise in Commercial Litigation and Employment.

We have been looking to recruit a new member of the litigation department for some time to provide further support for the team. Layla brings with her both enthusiasm and ambition and we hope that our Clients will enjoy working with her.
